by P. Toniolo : **Application of Biomarkers in Cancer Epidemiology (IARC Scientific Publications)**

ISBN : #9283221427 | Date : 1997-12-15

Description :

PDF-231ee | Biomarkers have many useful applications in cancer prevention and public health; particularly in the monitoring of exposure to hazardous substances, in identifying individuals at increased risk of disease, and in risk assessment at the population level. This volume aims to provide a set of state-of-the-art reviews of methodological issues in the use of biological markers in cancer epidemiology. In... *Application of Biomarkers in Cancer Epidemiology (IARC Scientific Publications)*
