# Cambridge Dictionary of Statistics in the Medical Sciences PDF

by Brian S. Everitt : **Cambridge Dictionary of Statistics in the Medical Sciences**

ISBN : #0521479282 | Date : 1995-10-27

Description :

PDF-c532d | This dictionary provides over 2,000 brief but useful definitions of statistical terms frequently found in the medical and medical statistics literature. Where appropriate, the author illustrates terms with pictures or numerical examples, and minimizes the use of mathematical formulas. This book will be an essential reference for workers in all branches of medicine, applied statistics and biostatis...
