Choosing and Using Statistics PDF

by Calvin Dytham : **Choosing and Using Statistics**

ISBN : #0865426538 | Date : 1999-02-02

Description :

PDF-e27e1 | This is a handbook for any student or professional biologist who wants to process data using a statistical package on the computer, to select appropriate methods, and extract the important information from the often confusing output that is produced. It is aimed primarily at undergraduates and postgraduates in the biological sciences who have to apply statistics in practical classes and projects. ... *Choosing and Using Statistics*
