ISBN : #0415703166 | Date : 2015-04-15

Description :

PDF-53f21 | Health and human services currently face a series of challenges – such as aging populations, chronic diseases and new endemics – that require highly complex responses, and take place in multiple care environments including acute medicine, chronic care facilities and the community. Accordingly, most modern health care interventions are now seen as ‘complex interventions’ – activities that... *Complex Interventions in Health: An overview of research methods*
