Description :

PDF-aa07d | `This book can provide an excellent framework for bolstering what is often an experiential process - doing a literature review. It is best seen alongside the supervisor, as a guide, through the multidimensional sea of academic literature' - British Educational Research Journal `I have been waiting for this book for five years. It sets out a number of important dimensions involved in the process... *Doing a Literature Review: Releasing the Social Science Research Imagination (SAGE Study Skills Series)*
