Description :

PDF-9d8cd | An invaluable tool for anyone carrying out a research project. We all learn to do research by actually doing it, but a great deal of time and effort can be wasted and goodwill dissipated by inadequate preparation. This book provides beginner researchers with the tools to do the job, to help them avoid some of the pitfalls and time-wasting false trails, and to establish good research habits. It takes... *Doing Your Research Project 4/e: A guide for first-time researchers in social science, education and health*
