: Educational Research, Methodology and Measurement (Resources in Education Series)

ISBN : #0080427103 | Date : 1997-05-01

Description :

PDF-d9f2b | During the past decade new approaches to educational measurement have become more widely recognized and the use of computer programs has been developed to make sound use of the procedures and techniques associated with item response theory. However, the implications of these developments for research methodology have not yet been fully recognized. This Encyclopedia will address not only these chan... *Educational Research, Methodology and Measurement (Resources in Education Series)*
