## Essential Epidemiology: An Introduction for Students and Health Professionals (Essential Medical Texts for Students and Trainees) PDF

by Penny Webb : **Essential Epidemiology: An Introduction for Students and Health Professionals (Essential Medical Texts for Students and Trainees)**

ISBN : #0521546613 | Date : 2005-06-20

Description :

PDF-7a019 | This is an accessible, easily readable, and modern introduction to epidemiology for students of medicine and public health. It combines a strong public health perspective and rationale with modern methodological insights in a coherent and straight forward way. It emphasises the fundamental principles common to all areas of epidemiology and, unlike many other texts, integrates both public health an... *Essential Epidemiology: An Introduction for Students and Health Professionals (Essential Medical Texts for Students and Trainees)*
