: **Evaluating Critical Care: Using Health Services Research to Improve Quality**

ISBN : #3540677763 | Date : 2000-10-27

Description :

PDF-a4823 | This book describes how the integrated approach offered by health services research can improve the quality of care provided to critically ill patients. By focusing on the needs of the patient, health services research links conventional scientific disciplines, systems research, education, and management, with the aim of translating developments in knowledge into sustained change in culture and pr... *Evaluating Critical Care: Using Health Services Research to Improve Quality*
