: Exploitation and Developing Countries: The Ethics of Clinical Research

ISBN : #0691126763 | Date : 2008-08-24

Description :

PDF-d771a | When is clinical research in developing countries exploitation? Exploitation is a concept in ordinary moral thought that has not often been analyzed outside the Marxist tradition. Yet it is commonly used to describe interactions that seem morally suspect in some way. A case in point is clinical research sponsored by developed countries and carried out in developing countries, with participants who... *Exploitation and Developing Countries: The Ethics of Clinical Research*
