ISBN : #1681626365 | Date : 2016-10-18

Description :

PDF-1364c | The instant classic on horse movement is now completely revised and updated with color illustrations. Horses are born to move--a foal can walk, trot and gallop within hours of birth. But not all horses move equally well, and the way a horse moves can have a real impact on how you ride. In this unique book, Susan Harris presents more than 300 eye-opening drawings that show you exactly how horses move... *Horse Gaits, Balance, and Movement: Revised Edition*
