Description :

PDF-ab1f5 | All students and professors need to write, and many struggle to finish their stalled dissertations, journal articles, book chapters, or grant proposals. Writing is hard work and can be difficult to wedge into a frenetic academic schedule. In this practical, light-hearted, and encouraging book, Paul Silvia explains that writing productively does not require innate skills or special traits but speci... *How to Write a Lot: A Practical Guide to Productive Academic Writing (LifeTools: Books for the General Public)*
