Description :

PDF-201a7 | A small cadre of scientists—collaborators and competitors—are determined to develop a vaccine for malaria, a feat most tropical disease experts have long considered impossible. Skepticism, doubt, and a host of logistical and financial obstacles dog their quest. Success may ultimately elude them. Why, and how, do they persist? The kind of person who decides to combat malaria must have a very rare... *The Imaginations of Unreasonable Men: Inspiration, Vision, and Purpose in the Quest to End Malaria*
