## Introduction to Veterinary Science PDF

by James Lawhead : **Introduction to Veterinary Science**

ISBN : #1428312250 | Date : 2008-07-10

Description :

PDF-395a6 | Introduction to Veterinary Science, second edition, provides core information for a variety of learners including those studying animal and veterinary sciences as well as students desiring to become veterinary assistants or technicians. The text begins with an overview of cellular and tissue physiology and then follows a systems approach for easy comprehension. It also investigates nutrition, disease, and the treatment of various conditions in animals. The book is intended for use in veterinary schools and as a reference for veterinary professionals.
