## Introductory Biological Statistics PDF

by Raymond E. Hampton : **Introductory Biological Statistics**

ISBN : #1577662946 | Date : 2003-09-01

Description :

PDF-e1287 | Statistical analysis is a powerful research tool. This user-friendly workbook provides a basic understanding of the nature and proper use of various statistical procedures. Written from the perspective of a biologist who uses statistics rather than from the standpoint of a statistician, Dr. Hampton's approach is much more applied than mathematical. Introductory Biological Statistics focuses on the... *Introductory Biological Statistics*
