Modern Infectious Disease Epidemiology PDF

by Johan Giesecke : **Modern Infectious Disease Epidemiology**

ISBN : #0340592370 | Date : 1994-01-15

Description :

PDF-31821 | Most textbooks on epidemiology are based on chronic, non-infectious conditions, such as coronary heart disease or cancer. Many of the underlying concepts differ when studying the epidemiology of infectious disease. This book introduces the theories behind infectious disease epidemiology and uses real life situations where the theories have been applied.... *Modern Infectious Disease Epidemiology*
