Money Is Not the Cure: Controversies in Healthcare PDF

by Seymour Handler : **Money Is Not the Cure: Controversies in Healthcare**

ISBN : #159298133X | Date : 2006-03-30

Description :

PDF-39d84 | Is there any real benefit to cancer screening? Does government regulation of environmental pollutants really save lives? Are we wasting money in pursuit of an impossible standard of health and longevity? Recent years have seen drastic increases in the cost of health care. Driving this increase is a common misconception: people at all levels of society--from the lay public to medical experts--firmly believe that more money is the answer. In *Money Is Not the Cure: Controversies in Healthcare*, Seymour Handler, M.D., challenges this misconception and reveals the truth about what really works in health care.
