by Theodore H. Tulchinsky : **The New Public Health: An Introduction for the 21st Century**

ISBN : #0127033505 | Date : 2000-08-11

Description :

PDF-afed1 | Countries around the world are engaged in health reform, which places great demands on health care providers and systems managers. From the managed care revolution in the United States to the rebuilding of health systems in postcommunist Russia, these reforms impact millions of health care workers, government officials, patients, and the public alike. The New Public Health will help students and p... *The New Public Health: An Introduction for the 21st Century*
