Description :

PDF-c9af4 | NINDS has been one of the most powerful motors that pulled and pushed the rise of modern neuroscience. This book was written in celebration of the fiftieth anniversary of the institute. Its history and the history of neurology and neuroscience are essentially one. Well written, and lavishly accompanied by photographs that span the last half-century, this book will be a welcome addition to the libr... *NINDS at 50: Celebrating 50 Years of Brain Research*
