Description :

PDF-2213d | As our knowledge of the passive response to fear in animals deepens, a clearer understanding of the human fear response will emerge. But there is more to science than facts and discoveries and breakthroughs. Scientific research has its own compensation. Doing the work of science is rewarding. Working outside with camera and binoculars while becoming one with nature is awe-inspiring. Discovering the... *Passive Fear: Alternative to Fight or Flight: When frightened animals hide*
