Planning Clinical Research PDF

by Robert A. Parker : **Planning Clinical Research**

ISBN : #0521549957 | Date : 2016-10-12

Description :

PDF-1f676 | Planning a clinical study is much more than determining the basic study design. Who will you be studying? How do you plan to recruit your study subjects? How do you plan to retain them in the study? What data do you plan to collect? How will you obtain this data? How will you minimize bias? All these decisions must be consistent with the ethical considerations of studying people. This book teaches... *Planning Clinical Research*
