## Probability without Equations: Concepts for Clinicians PDF

by Bart K. Holland : **Probability without Equations: Concepts for Clinicians**

ISBN : #0801857600 | Date : 1997-11-06

Description :

PDF-684a4 | Although few physicians, nurses, dentists, and other health professionals perform laboratory tests themselves, they all need to be able to interpret the results as well as understand findings reported in the medical literature. A general understanding of probability and statistics is essential for those needing to make daily decisions about the significance of research data, drug interaction preca... *Probability without Equations: Concepts for Clinicians*
