: **Psychosocial Processes and Health: A Reader**

ISBN : #0521426189 | Date : 1995-01-27

Description :

PDF-cfc0f | Understanding the links among social environment, emotion, behavior, and illness is a growing theme in medical and health education. The booming development in this field is reflected in the growth of disciplines such as health psychology, psychosocial epidemiology, and behavioral medicine. Until now, however, the basic literature has been awkwardly dispersed across medical and social science jour... *Psychosocial Processes and Health: A Reader*
