Radiation from Medical Procedures in the Pathogenesis of Cancer and Ischemic Heart Disease: Dose-Response Studies with Physicians per 100,000 Population PDF

by John W. Gofman M.D. Ph.D. : **Radiation from Medical Procedures in the Pathogenesis of Cancer and Ischemic Heart Disease: Dose-Response Studies with Physicians per 100,000 Population**

ISBN : #0932682979 | Date : 1999-11-17

Description :

PDF-362a0 | First the Bad News, Then the Good News. An honored scientist, who has a fine track-record of being correct, uncovers the first powerful evidence that xray procedures are a MAJOR cause, for men and women, of Cancer AND of Ischemic Heart Disease (also called Coronary Heart Disease, Coronary Artery Disease, and Myocardial Ischemia). These two discoveries (not previously published elsewhere) point to... *Radiation from Medical Procedures in the Pathogenesis of Cancer and Ischemic Heart Disease: Dose-Response Studies with Physicians per 100,000 Population*
