: Research Methods in Palliative Care

ISBN : #0198530250 | Date : 2007-06-28

Description :

PDF-af67c | Palliative and end of life care are concerned with the physical, social, psychological and spiritual care of people with advanced disease. It currently has a poorly developed research base, but the need to improve this is increasingly recognised. One of the reasons for the lack of research - and the variable quality of the research that is undertaken - is the difficulty of conducting research with... *Research Methods in Palliative Care*
