Description :

PDF-d832e | Research is the ideal text for instructors seeking a flexible, goal-oriented, and up-to-date approach to research-based writing. Unlike comparable books, Research introduces two sample student research papers in the second chapter, giving students a clear idea of their final goal as they progress through each step of the research and writing process. While covering all the basic research convention... *Research: The Student's Guide to Writing Research Papers (3rd Edition)*
