Description :

PDF-c09d4 | The ASPCA National Shelter Outreach Program estimates there are 4000-6000 animal shelters in the United States. As the U.S. moves toward reducing the number of animals euthanized in its shelters, access to informed medical care and sound management procedures becomes increasingly critical. Veterinary schools have recently begun offering courses in shelter medicine. This premier text, dedicated to... *Shelter Medicine for Veterinarians and Staff*
