Description :

PDF-9824f | We tend to think of sleep as a private concern, a night-time retreat from the physical world into the realm of the subconscious. Yet sleep also has a public side; it has been the focal point of religious ritual, philosophic speculation, political debate, psychological research, and more recently, neuroscientific investigation and medical practice. In this first ever history of sleep research, Kenton... *The Sleep of Others and the Transformation of Sleep Research (Heritage)*
