by Aviva Petrie : **Statistics for Veterinary and Animal Science**

ISBN : #063205025X | Date : 1999-06-09

Description :

PDF-c6fb8 | Statistics is a subject that many veterinary and other animal science students approach with foreboding, but it is essential for them to grasp the basics in order to understand their subject and play a contributive part in it. This is true whether they be practitioners, research scientists, diagnosticians, or run commercial pathology services, work in research and development of veterinary drugs, ... *Statistics for Veterinary and Animal Science*
