A Medical Memoir

From Drug Discovery  
To Clinical Cancer Trials

Lorne J. Brandes, MD

by MD Lorne J. Brandes : **Survival: A Medical Memoir**

ISBN : #1460285069 | Date : 2016-03-18

Description :

PDF-09698 | This is the amazing true story of medical research, far outside the box, that led to the discovery of a novel antihistamine (DPPE) that helped chemotherapy drugs cure laboratory mice of cancer while protecting the bone marrow. The book chronicles an inventor's passion to move DPPE from the laboratory to the clinic; the unprecedented facilitation of its development and approval for human use by uni... *Survival: A Medical Memoir*
