Women's Health Research: A Medical and Policy Primer

ISBN : #0880487917 | Date : 1997-01-15

Description :

PDF-333f9 | Only in recent years has women's health become an important item on the national health care agenda. Government guidelines that specifically excluded women from clinical trials based solely on their childbearing potential have been eliminated. In addition, Congress has boosted funding for specific women's health issues such as breast cancer and spurred the creation of an Office for Research on Women... *Women's Health Research: A Medical and Policy Primer*
