Writing for Computer Science PDF

by Justin Zobel : **Writing for Computer Science**

ISBN : #9813083220 | Date : 1997-12-01

Description :

PDF-48152 | Scientific papers are an important tool for communicating ideas, of copying thoughts between minds. Public mistakes not only make a scientist look foolish, but they can hurt a career as well. As such, publications should be as free as possible from distortion; this generally means writing with clarity and simplicity, and constructing the thoughts into a clear presentation to omit ambiguity and fru... *Writing for Computer Science*
